eslite RECOMMENDS

誠品選書

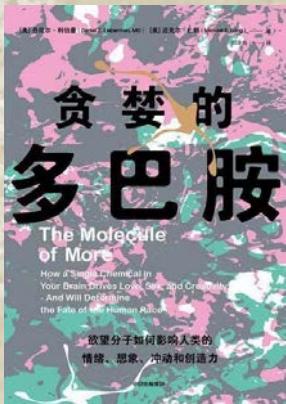

The establishment of eslite RECOMMENDS marks the diverse viewpoints of eslite reading. Since 1991, a book selection team was established, composed of eslite bookstore staff that will curate recommended books every month.

Through the process of reading, sharing, discussing, and voting within the book selection team, the monthly eslite RECOMMENDS is carefully selected from several new books. Not only focused on the content, the writing qualities, and the author, eslite RECOMMENDS also looks into the editing, post-production,

topic that are worth sharing, and the issues discussed related to the readers in Southeast Asia.

In this eslite RECOMMENDS exhibition, you'll be able to discover the past selections from Taiwan, Suzhou, and Hong Kong from 2020 to 2022, and also learn more about the processes and perspectives of eslite RECOMMENDS.
